Final Task: "AI and Homework - Letter to Grandparents"

Situation: Your grandparents have heard about AI helping with homework. Write them a letter explaining how you use AI for school and how they could use it too.

Writing Guidelines:

- Write about 100 words
- Use present simple and can/cannot
- Give specific examples
- Include your opinion

Content to include:

- What AI is (simple definition)
- How you use it for homework (2 examples)
- What it can and cannot do
- One piece of advice for using it safely
- How they could use it for their own learning
